

ARMY BASING PROGRAMME

LARKHILL TRAVEL NOTICE – OCTOBER 2018 EDITION 12

The construction of the new St Michael’s School has completed with the school opening in Sept 18. The construction of the 450 Service Families Accommodation (SFA) are well underway with the new entrance to the School and SFA site now completed. As part of the construction process some remedial road works are required to the new School Road roundabout:

Surface and Kerb repairs to School Road

Repairs to the kerbs and surface of School Road from the Roundabout towards the School will take place from Thurs 25 Oct to Sat 3 Nov 18.

The Packway roundabout will have manually controlled traffic lights. This will control traffic as it approaches the roundabout and reduce the traffic to one lane to maintain a safe working area within School Road for this resurfacing element.

Kerb repairs to the Packway (West of the Packway/School Road Roundabout)

Repairs to the kerbs of the Packway from the junction with Woods Road heading west towards Larkhill will be carried out from 5 to 23 Nov 18.

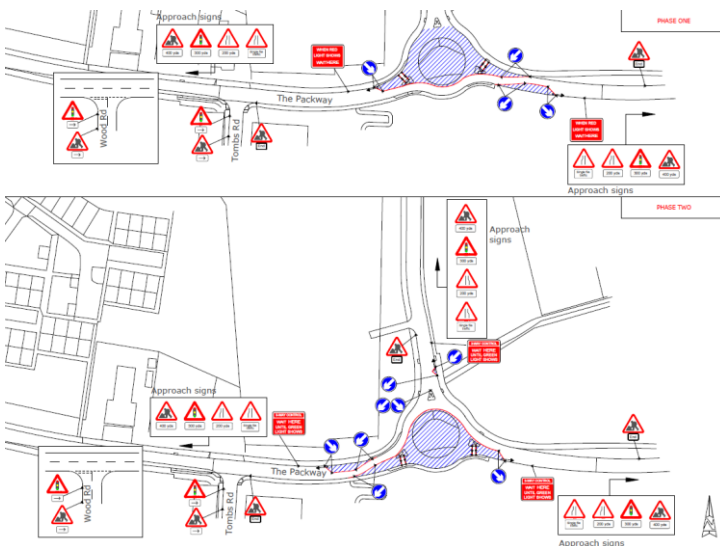

The Packway will have manually controlled traffic lights between 0930 and 1500 to control traffic as it approaches the area of works and reduce the traffic to one lane to maintain a safe working area while the damaged kerbs are being replaced.

Traffic lights will be placed here

Traffic lights will be placed here

Map of roadwork and traffic control

Future Works

Further road works will be required in 2019 to repair the kerbs of the Packway from the Packway/School Road roundabout heading East towards Stonehenge Inn Roundabout and to carry out resurfacing works to the Packway from the Packway/School Road roundabout heading both East and West. Future travel notices will give further information regarding dates and traffic control while these works are undertaken.

We apologise for any disruption these works may cause and appreciate your understanding and patience. We will keep you updated on progress through regular Travel Notices.

If you have any queries that relate to these Larkhill roadworks under the ABP please email the address below.
