

# Durrington Town Council Scheme & Scope of Delegation of Powers and Terms of Reference to Committees

### Introduction:

Local Councils may only do what legislation requires or permits them to do. With some particular exceptions, the Council may delegate functions to Committees, sub-Committees, officers, or other authorities. The power to delegate functions by local Councils is set out in the amended Local Government Act 1972 S.101. The aim of this document is to clarify the manner in which Town Council has delegated its powers and the authority to spend.

Decisions are normally taken by the Town Council at its regular monthly Town Council meeting or at an additional meeting specifically convened for that purpose. Certain functions cannot be delegated and are therefore reserved to the full Council, although an appropriate Committee may make recommendations thereon for the Council's consideration.

Examples are: -

1. The Precept.

2. Borrowing money.

3. Making, amending, or revoking Standing Orders, Financial Regulations, duties, and powers of Proper Officer provisions.

4. Making, amending, or revoking by-laws.

5. Making of Orders under statutory powers.

6. Matters of principle or policy.

7. Addressing recommendations in any report from the Internal and External Auditors.

8. Nomination or appointment of representatives of the town Council on any authority, organisation or body that requests one (except approved conferences or meetings).

9. Nomination of members of all standing Committees.

10. New powers or duties.

11. Prosecution or defence in a Court of Law.

12. Nomination or appointment of representatives of the town Council to any enquiry on matters affecting the town.

13. To receive and adopt the Annual Accounts.

14. To receive and sign off the Annual External Audit and Return.

15. To receive reports and recommendations referred to Full Council from the various Committees.

16. To set up direct reporting working groups as necessary.

17. To receive reports and recommendations and consider recommendations from all direct reporting working groups set up by Full Council or indirect groups where considered appropriate by the Clerk or Committee chairs due to timetable restrictions.

18. Confirmation (by resolution) that the Council has satisfied the statutory criteria to exercise the General Power of Competence when appropriate.

19. To confirm the schedule of meetings of Full Council and the standing Committees for the ensuing year.

20. To receive petitions and deputations from members of the public or any organisations.

### 1 Scheme & Scope of Delegation of Powers and Terms of Reference to Committees

21. Any other matters not delegated to a standing Committee or referred to Full Council by standing Committees.

Convening a meeting takes a minimum of three clear days (not counting Sundays and Bank holidays) and on rare occasions emergency business arises that needs a decision and/or action to be taken and it would be inappropriate to convene an additional ordinary meeting of the Council to consider the issue.

The Council scheme of delegation is an essential policy to enable the Council to function efficiently and effectively. Without this every decision would have to be taken by the Full Council. Decision making powers are given to both Committees and officers.

Powers cannot be legally delegated to individual Councillors or Working Parties.

### **Delegation to Committees**

The following matters are delegated to the Council's Committees to make decisions on behalf of the Council. They must be exercised in accordance with the law, the Council's Standing Orders and Financial Regulations and any approved policy framework and budget.

The Council may at any time, following resolution, revoke any delegated authority. Committees may decide not to exercise delegated responsibilities and may instead make a recommendation to the Council. Similarly, where a Committee has no delegated power to make a decision it makes a recommendation to Council.

### Planning

• The Council delegates decisions arising under development control consultations to the Clerk/RFO in consultation with all Councillors.

• Consultation may be by correspondence, including email, or in person. It may also take place at meetings of the Council.

• The Clerk will arrange for relevant papers to be circulated to the Councillors who should return their comments, to the Clerk/RFO for determination of the Council's response within the prescribed consultation period.

• Delegated decisions will be reported to, and recorded in the minutes of, the next Council meeting.

• In respect of controversial or major development proposals, the Clerk/RFO in consultation with the Chair, may decide that a Town meeting and/or an extraordinary meeting of the Council be called to consider the matter.
