Durrington Town Council Meeting on 11th August 2026. Minutes approved as a true and accurate record, and signed as so by the Committee Chairman presiding

Signed

Date.....

The Council resolved to exclude the press and public under Section 100A (4) of the Local Government Act 1972 to consider confidential matters relating to land and a tender.

Members considered the tender submissions received for the proposed pump track and, following detailed consideration of the evaluations undertaken, agreed on the preferred tender.

The decision made in confidential session was subsequently ratified by Full Council in open session.

Members agreed to retain the Pump track working party for the term of the installation.

Members agreed to the removal of the half pipe and to leave the remaining skate park equipment in place until immediately before the installation of the pump track, to avoid possible expensive remedial safety work.

Members considered the potential acquisition of land. Following discussion, it was agreed to make an offer for the land on the terms agreed by Members, with authority delegated to the Clerk to progress the matter.

The item was considered in confidential session due to the commercially sensitive nature of the proposed transaction.

RETURN TO OPEN SESSION TO RESOLVE

42/26 PUMP TRACK CONTRACT AWARD

The Council considered the outcome of the tender process for the design and construction of the proposed pump track at the Recreation Ground.

Following consideration of the tender submissions and the evaluation undertaken by the working party, the Council resolved to appoint **On Track** as the successful contractor for the project.

The appointment was made following consideration of the commercially sensitive tender information and evaluation in confidential session.

RESOLVED: That On Track be appointed to undertake the design and construction of the pump track in accordance with the approved tender specification, subject to the finalisation of the detailed design and contractual arrangements.
